STUDENT SEX NONDISCRIMINATION

I. PURPOSE

Students are protected from discrimination on the basis of sex pursuant to Title IX of the Education Amendments of 1972 and the Minnesota Human Rights Act. The purpose of this policy is to provide equal educational opportunity for all students and to prohibit discrimination on the basis of sex.

II. GENERAL STATEMENT OF POLICY

- A. TrekNorth High School provides equal educational opportunity for all students, and does not unlawfully discriminate on the basis of sex. No student will be excluded from participation in, denied the benefits of, or otherwise subjected to discrimination under any educational program or activity operated by the school district on the basis of sex.
- B. It is the responsibility of every school employee to comply with this policy.
- C. Any student, parent or guardian having questions regarding this policy should discuss it with the appropriate school official provided by policy. In the absence of a specific designee, an inquiry or complaint should be referred to the Executive Director, the school district human rights officer.

III. REPORTING GRIEVANCE PROCEDURES

- A. Any student who believes he or she has been the victim of unlawful sex discrimination by a teacher, administrator or other school personnel, or any person with knowledge or belief of conduct which may constitute unlawful sex discrimination toward a student should report the alleged acts immediately to an appropriate school official designated by this policy or may file a grievance. The school district encourages the reporting party or complainant to use the report form available from the principal of each building or available from the school district office, but oral reports shall be considered complaints as well. Nothing in this policy shall prevent any person from reporting unlawful sex discrimination toward a student directly to a school human rights officer or other administrative personnel.
- B. At TrekNorth. The Executive Director is the person responsible for receiving oral or written reports or grievances of unlawful sex discrimination toward a student at school. Any adult school district personnel who receives a report of unlawful sex discrimination toward a student shall inform the building principal immediately.

- C. Upon receipt of a report or grievance, the Executive Director will act as the school human rights officer immediately, without screening or investigating the report. The Executive Director may request, but may not insist upon a written complaint. A written statement of the facts alleged will be forwarded as soon as practicable by the Executive Director to the Board Chair. If the report was given verbally, the principal shall personally reduce it to written form within 24 hours and forward it to the human rights officer. Failure to forward any report or complaint of unlawful sex discrimination toward a student as provided herein may result in disciplinary action against the Executive Director. If the complaint involves the Executive Director, the complaint shall be made or filed directly with the Lead Teacher and the Board Chair by the reporting party or complainant.
- D. The school board hereby designates The Executive Director as the school district human rights officer(s) to receive reports, complaints or grievances of unlawful sex discrimination toward a student. If the complaint involves a human rights officer, the complaint shall be filed directly with the Lead Teacher and the Board Chair.
- E. The school district shall conspicuously post the name of the human rights officer, including mailing addresses and telephone numbers.
- F. Submission of a good faith complaint, grievance or report of unlawful sex discrimination toward a student will not affect the complainant or reporter's future employment, grades or work assignments.
- G. Use of formal reporting forms is not mandatory.
- H. TrekNorth High School will respect the privacy of the complainant, the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with the school district's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations.

IV. INVESTIGATION

- A. By authority of the TrekNorth Board, the human rights officer, upon receipt of a report, complaint or grievance alleging unlawful sex discrimination toward a student shall promptly undertake or authorize an investigation. The investigation may be conducted by school officials or by a third party designated by the school board.
- B. The investigation may consist of personal interviews with the complainant, the individual(s) against whom the complaint is filed, and others who may have knowledge of the alleged incident(s) or circumstances giving rise to the complaint. The investigation may also consist of any other methods and documents deemed pertinent by the investigator.

- C. In determining whether alleged conduct constitutes a violation of this policy, the school should consider the surrounding circumstances, the nature of the behavior, past incidents or past or continuing patterns of behavior, the relationships between the parties involved and the context in which the alleged incidents occurred. Whether a particular action or incident constitutes a violation of this policy requires a determination based on all the facts and surrounding circumstances.
- D. In addition, the TrekNorth may take immediate steps, at its discretion, to protect the complainant, pupils, teachers, administrators or other school personnel pending completion of an investigation of alleged unlawful sex discrimination toward a student.
- E. The investigation will be completed as soon as practicable. The school human rights officer shall make a written report to the Board Chair upon completion of the investigation. If the complaint involves the human rights officer, the report may be filed directly to the school board . The report shall include a determination of whether the allegations have been substantiated as factual and whether they appear to be violations of this policy.

V. SCHOOL DISTRICT ACTION

- A. Upon conclusion of the investigation and receipt of a report, TrekNorth will take appropriate action. Such action may include, but is not limited to, warning, suspension, exclusion, expulsion, transfer, remediation, termination or discharge. Action taken for violation of this policy will be consistent with requirements of applicable contractual agreements, Minnesota and federal law and school district policies.
- B. The result of the school's investigation of each complaint filed under these procedures will be reported in writing to the complainant by the school in accordance with state and federal law regarding data or records privacy.

VI. REPRISAL

The school will discipline or take appropriate action against any pupil, teacher, administrator or other school personnel who retaliates against any person who reports alleged unlawful sex discrimination toward a student or any person who testifies, assists or participates in an investigation, or who testifies, assists or participates in a proceeding or hearing relating to such unlawful sex discrimination. Retaliation includes, but is not limited to, any form of intimidation, reprisal or harassment.

VII. RIGHT TO ALTERNATIVE COMPLAINT PROCEDURES

These procedures do not deny the right of any individual to pursue other avenues of recourse which may include filing charges with the Minnesota Department of Human Rights, initiating civil action or seeking redress under state criminal statutes and/or federal law.

VIII. DISSEMINATION OF POLICY AND EVALUATION

- A. This policy shall be made available to all students, staff members, employee unions and organizations.
- B. The school shall review this policy and the school district's operation for compliance with state and federal laws prohibiting discrimination on a continuous basis.
